FROM THE CHAIR

Events of the last few months have shown that the ARLIS/New York members have hidden talents and enthusiasm for new endeavors past all previous ambitious expectations. As you will see elsewhere in the News, several new standing and ad hoc committees have been appointed and have met to lay the ground work for an active year of cooperation and congeniality.

Standing committees are open to all members; and suggestions, as well as willing heads and hands, are always welcome. Although everyone will not be inspired to participate in every

undertaking, we hope to have enough variety to answer most professional concerns, e. g., a day trip to Yale and guidance filing a discrimination suit. The extent to which the Chapter will continue to expand depends upon your response and participation.

Hopefully, the vacation season has given us all the needed rest and strength to carry through our plans. Share your time and ideas with us, and come to the October meeting.

--Connie Koppelman

The trip to Yale is tentatively planned for October 28 or November 18. Estimated cost per person for transportation is ca. \$8.
